

EEE.C.2	<b>Use analytical strategies to understand situations.</b>	EEE.C.2.1	Analyze problems in terms of the academic, social, personal, and career information needed to solve them.	EEE.C.2: You believe that homework is “stupid” and a “waste of time.” At the same time, however, you know that your grade in the class will be lowered if you do not complete and submit your homework. <ul style="list-style-type: none"><li>• Outline the options you have to solve this problem.</li><li>• Compare the outcomes of not doing the assigned homework versus trying to complete and to submit the homework.</li><li>• Explain, if you can, the importance of completing and submitting your homework as a means of helping you to learn and to grow.</li></ul>
		EEE.C.2.2	Apply critical thinking skills systematically to solve problems and make decisions.	
		EEE.C.2.3	Predict the consequences of applying analytic strategies in terms of whether they are likely to be positive or negative.
